

THANK YOU NURSES

INTERNATIONAL NURSES DAY

Barbara R.N.
Nurse Injector:
Botox, Filler

Gail L.P.N.
Skin Care Specialist:
Diamond Glow & Chemical
Treatments

Meredith R.N.
Perioperative Care &
Teaching

With Dr. Prysi since 2003, 2008, and 2015 respectively.

Nurses Day is observed annually on May 6. On this day we acknowledge the vital role nurses play in society. I have an excellent team of nurses who go above and beyond to care for my patients. I am honored to work with Barbara, Gail, and Meredith in addition to the nurses at Trails Edge Surgery Center and A Nursing Connection.

- Mark F. Prysi M.D.

"You can only become truly accomplished at something you love"

- Maya Angelou

SUN PROTECTION

SUNSCREEN

*Mineral Shield Broad Spectrum
SPF 32 or SPF35*

Take care to apply sunscreen to the entire face (including ears), neck and chest wall.

SHADE

You can reduce your risk of sun damage by staying in the shade under an umbrella, tree, or other shelter.

CLOTHING

When possible, wear long-sleeved shirts and long pants and skirts, which can provide protection from UV rays.

HAT

For the most protection, wear a hat that has a wide brim all the way around that shades your face, ears, and the back of your neck. Avoid straw hats with holes that let sunlight through.

SUNGLASSES

Sunglasses protect your eyes from UV rays. They also protect the tender skin around your eyes from sun exposure.
