Dear Dr. Prysi:

Thank you for your generous contribution to the Silent Auction in support of our 2023 *Mending Broken Hearts with Hope* luncheon scheduled for February 21, 2023 at the Ritz-Carlton Tiburon.

Please know your gift is saving and transforming lives in our community, including survivors like Maya, whose abusive husband controlled her every move, threatening to also harm her daughter Lilly if she did not comply. One night, Maya screamed for help and neighbors called the police. Her husband was arrested and Maya and Lilly were brought to The Shelter, where they thrived. Maya worked hard, taking part in counseling, job placement and financial classes. She attended nursing school and earned her RN degree. Soon she hopes to purchase a home, where she and Lilly can live in peace, free from violence and abuse.

Your gift to The Shelter is not only changing the lives of survivors like Maya and Lilly, it is a personal investment in the safety of our entire community because violence in the home does not stop at the front door - it infects our schools, businesses, places of worship and social gatherings. Thank you for making our community a safer place for all.

In peace and gratitude,

Cyndi Fields
Chief Development Officer
