Treatment Highlight

Volux/Voluma/Volbella

Voluma

This injectable can restore lost volume to enhance the shape of your cheeks. It is made of hyaluronic acid and results can be seen almost immediately. As you age cheeks may atten and descend. Voluma provides instant lift and contour to the cheek area. It can also be used to enhance the chin and temporal hollows.

Volux

This specially developed formula is the thickest available. Volux helps to provide smooth denition to the jawline especially below the marionette lines.

Volbella

Formulated to treat the lips and ne lines around the mouth, this is FDA approved for use on patients 21 years of age or older helps to give you the plump lips that you've always desired.
