Neighborhood Health Clinic

Celebration of Hope and Healing

Save the Date: Friday, February 27, 2026

The Clinic's annual fundraiser gala, Celebration of Hope and Healing, is an elegant, formal affair with an evening reception, plated dinner, and live entertainment, including our popular Save-A-Life program. This exciting evening event takes place here on our campus, highlighting the versatility of the Van Domelen Education and Wellness Building. Thanks to the generosity of Clinic supporters who attend, this event provides significant financial security towards our operating fund, helping ensure that lifesaving patient services and educational programming will continue to be available to our neighbors in need who have nowhere else to turn for healthcare.
